

Funding Policy

ADHD -Europe accepts donations and funding to support our advocacy work, collaboration with research projects, endorsements, and other activities. They are accepted on the basis that they do not influence our independence, integrity, and the representation of our members.

Our logo and name cannot be used without our specific, written consent in exchange for financial contributions.

For accountability and transparency, any financial sources (over €2000 euro) are acknowledged in the Annual Report which is published on our website soon after being approved by the Annual General Assembly.
